

**S**o many see, but still do nothing.  
**T**hey think, but never do.

**V**erily I say to you,  
**I** can no long be that person.  
**N**o more can I see and do nothing.  
**C**ome, join me in this mission.  
**E**ach one to his best learning.  
**N**ot for compensation, but for love.  
**T**his, I ask of you.

**D**o this in the Lords name  
**E**nd suffering, one person at a time.

**P**ray for those in need.  
**A**nd then perform actions in support of words.  
**U**se your talents, as they have been given,  
**L**ove your neighbor as yourself.
